## A Joy Ride

This isn't a protest against the automobile. Those who can afford it may "burn gasoline" to their heart's content. In fact, it helps business.

But you will remember that the grasshopper that sang all summer got his singer sadly out of tune when winter time arrived. It's fun to go the fast pace, but not unless you can afford it. It's better to play safe than to be sorry afterward. It's better to save a little as you go along than to whiz off into the future on high speed and land in the ditch. The rich men of today were the saving men of yesterday almost without exception. Our bank offers you every opportunity for systematic saving.

### WHY WE ARE LATE.

Not a type was set on The Missouri Herald until Friday afternoon, the hour we should go to press. We had to sacrifice the paper in order to deliver on time several important pieces of emergency job work, with which this office has been overrun. We have printed and delivered two briefs, one 53 and the other 35 pages, besides a big run of regular work, some being 10,000 impression jobs, having begun the week with one 45,000, two-color, alternating sheet, perforated job, that necessitated handling nearly half a million times. And we are short of help---how short we will not say, for those familiar with the class of work we have turned out would not believe it could have been performed in the time we did it, and we only did it by working day and night and forgetting the paper, which comes to you both late and short. We hope to do better next week, and will if we do not continue to be swamped with emergency jobs that we cannot refuse our regular customers.

### MONDAY CLUB.

The Monday Club met on the evening of Oct. 16 at the home of Mr. and Mrs. C. O. Raine Sr., with Mrs. Leonora Condit as hostess.

In the absence of club members, Mrs. C. O. Raine Sr., Mrs. O. N. Watts and Mrs. Wright Crafton were guests.

During the evening Mrs. W. H. Reinhard won the largest number of games, but Mrs. C. O. Raine Sr. had the highest score. At the close of the evening Mrs. Condit served a most delightful luncheon, consisting of hot Vienna rolls filled with chopped chicken, pickles, olives, marshmallow salad, bread and butter sandwiches, an ice, Petito Choux aux fruits and coffee.

The Club will meet again at the home of Mr. and Mrs. C. O. Raine Sr., on the thirtieth, with Mrs. Howard Ellison as hostess.

### CARUTHERSVILLE LOSES TO WILSON, ARK.

In a hard fought battle Friday the football warriors from Wilson, Ark., triumphed over those of Caruthersville by a score of 7-0.

Davy, quarterback, making the touch down and Baldwin kicking goal from twenty yard line.

The game was free from spectacular plays.

### QUEEN OF SHEBA BURNED.

The Queen of Sheba was burned at the Empress Theatre Thursday night or, rather, early Friday morning.

It was a performance not down on the regular program, and thought to have been witnessed by an audience of but one.

The movie films of the Queen of Sheba were shown to full houses at the Empress Wednesday and Thursday nights. There were ten reels of it and it was a great show. The Queen was arrayed in as much embellishment and pageantry as when she visited King Solomon 990 years before Christ, but so far as history records, this is the first time the Queen has ever been burned. She may have escaped the demons of all the ages that have gone since her day, but she did not land in Hayti, Pemiscot county, Missouri, until Wednesday night, October 25, in the good or bad year of 1922.

After the show, in the quiet hours of the early morning, when only the stars keep sentinel in this city, some one entered the front door of the Empress, went to the operator's balcony, took three reels of the Queen of Sheba, retraced his steps to the main floor, proceeding to the rear of the building, and there poured coal oil on the films and set them afire.

About two minutes later C. C. Cannon, a railroad man, on his way to work was passing the alley in the rear of the building, saw the flames, called for help and with a few buckets of water soon had extinguished what might have proven the worst fire the town has ever known.

Only three of the ten reels were burned, the building being slightly damaged.

No one connected with the popular show house have an enemy that they know of, and the cause for the arsonous act is a mystery.

But there are theories. There are suspicions.

And it may be that this firebug will not escape as easily as did the one who burned the old Franklin block some years ago, in which the postoffice was destroyed and one life lost.

Joe Kohn was in Memphis on business Thursday.
